

Power up your app stack with **ApprovalMax** and **Dext Prepare**

Dext Prepare and ApprovalMax are two powerful tools that work together seamlessly to streamline and simplify tasks performed by your finance team. By integrating these tools, you can significantly reduce the amount of manual work required, saving time and resources.

Say goodbye to the days of drowning in paperwork and administrative burdens. Embrace the world of automation with Dext Prepare and ApprovalMax, and welcome a more productive and efficient finance team that can contribute to the success of your business.

Dext Prepare is a brilliantly simple way to bring all your paperwork together in a standardised, digital format. Whether it's a receipt, an invoice, or a bank statement, upload it and Dext will extract the data you need, then send it to your accounting software.

ApprovalMax is the #1 tool to get your bills and expenses approved quickly. It replaces paper and email approvals and allows your team members to quickly approve bills and expenses via the web app or mobile app. Not only does it streamline the accounts payable process, but it also gives you better spend control and helps with regulatory compliance.
